<hr/>		
Summer 2017	Beach Volleyball	(Thursdays 5-7 pm)

Other Ongoing Initiatives

GPS and Library Workshops:

- The UTM Robert Gillespie Academic Skills Centre and the School of Graduate Studies will be bringing more Graduate Professional Skills (GPS) workshops to UTM. Learn more about the workshop schedule on the SGS website
- The Library will be offering useful skills related workshops throughout the year. Contact our library liaison Andrew Nicholson, or check out the UTM Library Graduate Guide for details

Grad Sports Teams:

- Continuing from last year, we plan to form grad teams for 2-3 sports for RAWC tournaments. Last year, the most popular sports were volleyball and soccer. Let us know through the survey if you would be interested, and what sports you would like the teams to be for!

BUT WHAT WOULD YOU LIKE TO SEE? WHAT DO YOU THINK OF OUR PLANS?

Let us know by following the survey link at utmags.sa.utoronto.ca
